To, Table to table

I would like to thank you for all that you do for the Good Shepherd Mission with your food donations. As a result of your donations we eat very well. Many of our program members come from families that can not afford the type of food that you donate to us. We all thank you for people like ~~you~~ you who donate to this house. We all know that when the table-to-table truck shows up we are going to have a great dinner. Once again thank you, you are greatly appreciated.
